The rest of the ticket is composed of good men, and there are every and is sound to the core. It takes a Sept. 13. crack at creation and hits centre every time. The Indiana democrats are evidently not struck on their ex-fellow and administration are roundly denound turnel it.

THE Wheelers in the First Congressional district, after several days' wrangle, adjourned without making a nomination, but instead prepared a declaration of their principles for presentation to the democratic candidates. Should none of them endorse the "principles" then another convention is to be called and a candidate named. The Wheelers, like the grangers, may make themselves felt for a while, but like the prohibitionists, greenbackers and such, they will be of short duration. There can never be but two great parties in this country.

Col. Bennett H. Young has issued a valuable little book entitled "Constitutions of Kentucky and Their History," which ought to be in the hands of every one of the delegates to the convention. that meets next Monday. Col. Young has given the question of constitution. making much thought and he will no doubt prove one of the most efficient members of the body.

BULLY for Ex-Senator W. F. Nent! He has been voting with the republicans at the same time trying to encircle her ever since Lincoln's time, but that party waist, got beat over the head with a parts which are not water are almost exhas gotten too much for him. He is dis- chair by her and punished severely. The gusted with its pension prolligacy and poor fool ought to have known that it is other raids upon the treasury and in a mighty little fon trying to kiss an untilleroughly. The Saturday Half Hollday.

When the Saturday half holiday law was enacted there were some possimistic persons who predicted that its operation would not only injure business, but would lead to an increase in crime be cause of the idleness of thousands of working people. Strange to say, the pohee records show a decreased percentage of arrests since the law west into effect. Train leaves Rowland at 7 00 a. m., returning Although the observance of the day has steadily increased, the disposition to commit breaches of the peace on the part of the working people, who have been thrown upon their own resources for self amnsement, has been curbed rather than stimulated. It was the purpose of the law to afford wage earners an opportunity to enjey, on the threshold of the saered day of rest, a half day's recreation exems.ca.s and pastimes. The public parks in this city and in Brooklyn have ing equeity of exemsion bonts has been

t stal to its utm at limit. Bankers and Trokers who were ophold iy law was proposed have not only things, but most or them now welcome the holiday with undisguised pleasure. In the down town business centers there is a growing tendency to make the whole of Saturday a holiday during the sumtheir chines en Fri by night and dismiss busin as cares from their minds until - New York Sun. A cream of tarter baking powder Highest of Membay morning. This same spirit pre-all in leavening strength.-U.S. toxerumen Re-port Aug. 17, 1889. All of this goes to show that the Ameri-RICHARD C.
